

# **COVID ASSISTANCE FOR SRI LANKA**

## **FULL PROJECT REPORT**

*30<sup>th</sup> October 2021*

**AUSLMAT SRI LANKA COVID ASSISTANCE APPEAL** was initiated on the 30th of May 2021, in response to many requests received from public hospitals across Sri Lanka for medical assistance to combat the escalating COVID crisis.

With immense community enthusiasm and support, we have been able to raise a total of **AUD 225,545 (Over 34 Million Sri Lankan Rupees)**, and distribute equipment worth over AUD 232,201 among 23 COVID treatment centres.

*Photo: COVID positive patient managed using the CPAP device, masks and syringe drive donated by AUSLMAT, at Dehiattakandiya Base Hospital, Ampara District*

## EQUIPMENT PURCHASED

Four Phillips cardiac monitors, bought from Next Gen SL	AUD 10,520
Four AIRVO High Flow nasal oxygen delivery systems with 20 sets of accessories per unit , from F&P, Australia	AUD 17,136
Extra Optiflow cannulae for Airvo's, F&P, Australia	AUD 1,795
Three RESMED Stellar biPAP machines ( \$ 6500 per machine) with accessories and masks, from ResMed Australia	AUD 23,134
Six oxygen concentrators ( 10L capacity ), nasal tubing and Hudson masks from Mediequip, QLD, AUS	AUD 18,952.64
Three 10L oxygen concentrators from Box Wellness, AUD 2275 each, plus tubing	AUD 6,815.46
Three 10L Oxygen concentrators from Box Wellness for \$2000 and 400 oxygen tubing	AUD 6, 400
Three new AIRVO High Flow nasal oxygen delivery systems with 20 sets of accessories per unit , from F&P	AUD 12,757.25
Three Mindray cardiac monitors, bought from Meditechnology SL	AUD 5521
Oximeters (x76)	AUD 3952
Oxygen connectors for CPAP machines	AUD 120
Eight SK 600 infusion pumps bought from Meditechnology SL	AUD 4362
Four SK syringe drives bought from Meditechnology SL	AUD 2181
One Mindray ICU monitor bought from Meditechnology	AUD 9201
Pentax Bronchoscope ordered from Pentax, Australia	AUD 8975
Blood gas analyser bought from Meditechnology SL	AUD 5795
100 Non-rebreather masks	AUD 480
Seven AIRVO High Flow nasal oxygen delivery systems with 20 sets of accessories per unit and oxygen regulators from F&P, Australia	AUD 33879.50
Paediatric Optiflow (box of 20)	AUD 668
CTG fetal monitor	AUD 2275
MEDIN CNO neonatal CPAP	AUD 19,000

Resmed CPAP masks	AUD 1500
F & P pediatric CPAP masks	AUD 520
Flight 60 T portable ventilator	AUD 11,970
IDH Pediatric ward equipment ( bought from Meditechnology, SL) - Four uMEC 10 multipara monitors - Ten Benefusion Syringe drives - Six Benefusion infusion pumps	AUD 18460.90
Slit lamp, lenses and indirect ophthalmoscope	AUD 5190
Matzen Freight handling charges	AUD 640.73
<b>TOTAL EXPENDITURE</b>	<b>AUD 232,201</b>

*(Balance covered from existing funds)*

## **DONATIONS OF EQUIPMENT RECEIVED BY AUSLMAT:**

In addition to the above, we have received donations of

- Four used AIRVO's and 2 CPAP machines from Monash Health
- 4 CPAP machines from Sleep Matters
- 13 CPAP machines with accessories from Austin Health Sleep lab
- Diabetes testing equipment ( > 20 glucometers, lancets and test strips)
- Infusion sets from Braun
- Hudson masks from Tecmedic
- One new AIRVO+ accessories and O2 concentrator from SCCSF
- Three (used) cardiac monitors from St. John of God Hospital

## **LIST OF ASSITED HOSPITALS:**

### **[1] Anuradhapura Teaching Hospital and Methsiri Sewana Covid Treatment Centre**

Four Phillips G30 multipara monitors

One Fisher and Paykel AIRVO 2 unit with Optiflow nasal cannulae (x 20) and heated breathing tubes (x 20), mounting tray, Mobile pole

x10 Oximeters

x2 Optimum Exceed glucometers with ketone strips

Two Oxygen Concentrators (10L)

RESMED STELLAR biPAP unit with x5 leak port valves, x5 grey tubing, 6 masks, instruction DVD and warranty card and box of Filters (x50)

One (USED) AIRVO 2 with Optiflow cannulae

### **[2] Bandarawela Hospital**

One Fisher and Paykel AIRVO 2 unit with Optiflow nasal cannulae (x 20) and heated breathing tubes (x 20), mounting tray, Mobile pole

x10 Oximeters

x2 Optimum Exceed glucometers with strips

Two Oxygen Concentrators (10L)

RESMED STELLAR biPAP unit with x5 leak port valves, x5 grey tubing, 6 masks, instruction DVD and warranty card and box of Filters (x50)

One (USED) AIRVO 2 with Optiflow cannulae

### **[3] Kamburugamuwa New District Hospital, Matara.**

One Fisher and Paykel AIRVO 2 unit with Optiflow nasal cannulae (x 20) and heated breathing tubes (x 20), mounting tray, Mobile pole

x10 Oximeters

x2 Optimum Exceed glucometers with strips

Two Oxygen Concentrators (10L)

RESMED STELLAR biPAP unit with x5 leak port valves, x5 grey tubing, 6 masks, instruction DVD and warranty card and box of Filters (x50)

One (USED) AIRVO 2 with Optiflow cannulae

#### **[4] Kosgama Divisional Hospital**

One Fisher and Paykel AIRVO 2 unit with Optiflow nasal cannulae (x 20) and heated breathing tubes (x 20), mounting tray, Mobile pole

x10 Oximeters

Glucometer with strips

Three Oxygen Concentrators (10L)

Box of nasal cannulae (x50), oxygen delivery masks

#### **[5] District General Hospital, Negombo.**

Three Oxygen Concentrators (10L)

Box of nasal cannulae (x50) , oxygen delivery masks

X 10 Oximeters

Two used CPAP machines, adult and paediatric masks

Glucometer and lancets

#### **[6] Kegalle District Hospital**

One Fisher and Paykel AIRVO 2 unit with Optiflow nasal cannulae (x 20) and heated breathing tubes (x 20), mounting tray, Mobile pole

x10 Oximeters

Glucometer with strips

Extra box of heated breathing tubes x10 units for Airvo

One used AIRVO with 4 nasal cannulae and 6 heated breathing tubes.

Two used CPAP machines, adult and paediatric masks, glucometer and lancets

#### **[7] Dehiattakandiya Hospital**

One used CPAP machine with masks

X10 Oximeters

Glucometer and lancets

Four SK infusion pumps

Four SK syringe pumps

One oxygen concentrator(10L)

One Mindray uMEC 12 ICU monitor

One R80 blood gas analyser

----Slit lamp, lenses and indirect ophthalmoscope for new Eye Clinic

### **[8] Wethara Hospital**

One Oxygen Concentrator (10L) and a box of 50 nasal cannulae

### **[9] General Hospital, Chilaw**

Two Fisher and Paykel AIRVO 2 unit with Optiflow nasal cannulae ( x 40) and heated breathing tubes (x 40), mounting tray, Mobile pole

Two used CPAP machines with 6 non-vent masks

### **[10] Pimbura Base Hospital**

One Fisher and Paykel AIRVO 2 unit with Optiflow nasal cannulae ( x 20) and heated breathing tubes (x 20), mounting tray, Mobile pole

Two used CPAP machines with 6 non-vent masks

### **[11] Teaching Hospital, Peradeniya ( Sent to Prof. Vasanthi Pinto to distribute to rural centres)**

x 10 (used) CPAP machines with tubing

x 3 boxes of bacterial filters for masks

x 95 Non- vent CPAP /biPAP masks

x 100 regular biPAP /CPAP masks for adults and paed

x 200 infusion pump sets

x 250 nasal oxygen cannulae with tubing

X12 additional Airvo chambers

Diabetes testing / treatment equipment (> 500 pen needles, x13 Optium

Exceed glucometers, x2 fast clix, x2 insulin delivery pens, x2 cooler packs, x3 boxes of softclix (x200 in each box)

In addition, 10 Fisher Paykel paediatric CPAP masks were donated to Peradeniya TH Paediatric Intensive Care Unit.

### **(12] One multipara monitor each donated to NHSL Colombo, Army Hospital and Kalubowila hospital**

### **[13] Ratnapura hospital**

- Pentax portable fiberoptic bronchoscope
- Flight 60 T portable ventilator

### **[14] Welisara Respiratory Hospital**

Three Fisher and Paykel AIRVO 2 unit with Optiflow nasal cannulae (x 20) and heated breathing tubes (x 10), mounting tray, Mobile pole

### **[15] Gamhapa Hospital**

- One Fisher and Paykel AIRVO 2 unit with Optiflow nasal cannulae (x 20) and heated breathing tubes (x 10), mounting tray, Mobile pole
- Resmed CPAP masks (x40)
- Optiflow cannulae (x60) and heated breathing tubes (x30)
- Filters for Optiflow (x60)

### **[16] Lady Ridgeway Hospital**

- One Fisher and Paykel AIRVO 2 unit with junior Optiflow nasal cannulae (x 20) and heated breathing tubes (x 10), mounting tray, Mobile pole
- One oxygen flow meter and hose

### **[17] Ragama (North Colombo) Teaching Hospital**

- One Fisher and Paykel AIRVO 2 unit with junior Optiflow nasal cannulae (x 20) and heated breathing tubes (x 10), mounting tray, Mobile pole
- One oxygen flow meter and hose
- CTG foetal monitor (Edan F3)
- 100 non-rebreather masks
- One oxygen flow meter and hose

### **[18] Mawanella hospital**

- One Fisher and Paykel AIRVO 2 unit with junior Optiflow nasal cannulae (x 20) and heated breathing tubes (x 10), mounting tray, Mobile pole
- One oxygen flow meter and hose
- Six oximeters

**[19] Kanthale Hospital**

- Medin CNO Neonatal CPAP device

**[20] New Pediatric HDU, IDH**

- Four multipara monitors
- Ten Syringe drives
- Six infusion pumps
- Optiflow Cannulae (Box of 20)

**[21] Theldeniya Hospital**

- Two infusion pumps
- x30 Resmed biPAP masks

**[22] Wathupitiwela Hospital**

- Two infusion pumps

**[23] Matale Hospital**

- x30 Resmed biPAP masks

***All hospitals have confirmed that all equipment has been received, and registered with the respective hospital Inventories. Warranty and maintenance for the equipment sent from Australia have been covered by the Biomedical Engineering Department in the Health Ministry.***

## **LIST OF PARTNERING COMMUNITY GROUPS:**

1. Sakyamuni Sambuddha Vihara, Berwick
2. Buddhist Temple Daham Niketanaya, Yuroke
3. Dhamma Sarana Temple /BSAV, Keysborough
4. Sinhala Cultural and Community Services Foundation
5. OAAV (Ananda Old Boy's Association, Victoria)
6. Lak Medura Foundation, Craigieburn
7. Devi Balika OGA, Sydney
8. Lakhanda Media Centre
9. Lion's Club, Dandenong
10. St. Anthony's College OBA, Kandy

## **OUR SINCERE GRATITUDE GOES OUT TO:**

-All the organizations, businesses and individuals who have made generous contributions towards our appeal.

- Mr. Kapila Fonseka, Consulate General of Sri Lanka in Melbourne and the Consulate office staff for their assistance in coordinating airfreight and ensuring safe delivery of the equipment to the Foreign Ministry.

- Sri Lanka Airways for air freighting the equipment free of charge

- Ms. Asanka Weerasinghe, SMO, Foreign Ministry, Colombo and Ms. Udani Senevirathne, Health Ministry, Colombo for coordinating the delivery of equipment to designated hospitals.

## Confirmations:

Dr. Sanjeewa Amadoru ( Assistant Medical Director) and Dr. Chamidu Weerasinghe ( Anaesthetist) at **Kamburugamuwa** Hospital accepting the equipment sent by AUSLMAT

**Letter of Appreciation**

We express our sincere gratitude to you, for your timely coordination of this donation with the Medical Suppliers Division of Ministry of Health Sri Lanka. Thank you for your generous donation to Respiratory HDU – District General Hospital Gampaha.

We are thrilled to have your support. Through your donation we have been able to fill the requirement we had in the Respiratory HDU for a Hi-flow oxygen delivery machine and continue working towards giving best possible care for the oxygen dependent COVID patients.

You truly make the difference for us, and we are extremely grateful on behalf of all the staff at District General Hospital – Gampaha.

- **Hi-flow Nasal Oxygen therapy machine with accessories – 01**  
Issued to DGH Gampaha by Biomedical Unit, Medical Suppliers Division, Ministry of Health by issue order number A/22 - 640475

We would like to wish you success in all your future endeavors and we wish a healthy and long life to you.

Thank you once again.

Dr Erosha Premaratne,  
Australia Sri Lanka Medical Aid Team (AUSLMAT)

Dear Dr Erosha Premaratne,

### Appreciation for the contribution made to the "RUN ICUs and SAVE LIVES" fund

The College of Anaesthesiologists and Intensivists of Sri Lanka being the professional body which is responsible for anaesthesia, critical care and pain medicine in Sri Lanka is truly grateful for the generous contribution made by you to achieve our vision; providing safe anaesthesia, intensive care and pain services to all our patients currently affected by the COVID-19 pandemic.

With the emergence of the third wave of the pandemic patients requiring intensive care services in Sri Lanka have arisen within a very short period of time. As a result, the healthcare system is saturated and overburdened due to a surge of admissions of critically ill, both COVID and non- COVID patients to the intensive care units amidst limited resources.

Please accept our sincere appreciation.

We greatly appreciate your donation and thank you for your generosity towards uplifting standards of critical care facilities for all those who are being treated in the intensive care units in the country.

We are happy to inform you that we distributed below mentioned items to the COVID and post COVID wards in the Teaching Hospital, Peradeniya and National Hospital, Kandy.

1. 10 CPAP machines with extra chambers and tubings for F&P AIRVO's
2. 250 Nasal cannulae
3. 200 infusion pump sets
4. 13 Glucometers and lancet boxes

Further we distributed 70 CPAP masks for the below mentioned hospitals.

Hospital	No of CPAP Masks	Hospital	No of CPAP Masks
CSHW	01	BH Balangoda	02
NHSL	04	BH Dambulla	03
DGH Chilaw	02	TH Batticaloa	03
